DECS is split into three main areas of service delivery, each overseen by a Director:

**Estates Operations** Are responsible for providing a 'fit for purpose estate', ensuring:
- well-planned operations and maintenance of the University's Buildings and Grounds, whilst meeting environmental sustainability objectives;
- the efficient provision of requisite infrastructure and of utility supplies;
- that the University's Estate meets health, safety and other statutory compliance requirements.
- the effective management of the University’s property portfolio.

**Estates Development** Leads the sustainable development of the campus:
- setting out the vision, master plan framework, estate strategy and design standards for the campus;
- forms and manages the programme of investment projects, including for new buildings, infrastructure and the refurbishment of existing assets to meet the needs of the University

**Campus Services** Oversees a range of critical services to deliver a great experience for students, staff and hosted businesses:
- ensuring the efficient allocation of University space through managing the University's residential accommodation service, learning spaces (timetabling, room bookings and audio visual technology), space audit and space planning activity;
- providing effective facilities services including cleaning, travel and mail room services;
- leading highly-engaging customer relationship teams, through operating a range of receptions, and the Facilities Helpdesk;
- ensuring teams in business systems, marketing and communications, recruitment, training and general administration support the best possible decision making across DECS.

DECS is the largest of any of the University Departments and we appreciate that successful service delivery can only be realised through motivated staff. To this aim DECS has developed a set of core values that promote dignity and respect for all. All members of DECS are expected to adhere to these values. A full copy of the values can be found at: [DECS Values](#)

Finally DECS is developing a Quality Management System that will promote an environment that encourages continuous improvement. All members of DECS are encouraged to examine the services we deliver and look at ways of making them better and more efficient.
Founded on principles of excellence, equality and opportunity for all, the University of York opened in 1963 with just 230 students. In 2018 it is the home of more than 17,000 students across more than 30 academic departments and research centres. Since opening over fifty years ago, we have become one of the world's leading universities and a member of the prestigious Russell Group.

We are consistently recognised as one of the leading Higher Education Institutes and are ranked 16th in the Times & Sunday Times league table (2017). The University of York has won six Times Higher Education (THE) Awards and five Queen’s Anniversary Prizes.

The University is proud of its association with Athena SWAN, holding 12 awards in support of gender equality, representation and success for all, with gold awards for Chemistry and Biology and a University-wide bronze award.

Attractive workplace

Centred around the picturesque village of Heslington on the edge of the city of York, our colleges are set in an attractive landscaped campus. York enjoys a safe, friendly atmosphere with facilities including bars, shops, theatres and concert halls all within easy walking distance.

The University has undergone an unprecedented period of expansion and renewal since 2000. We have invested in twenty new buildings on the original campus and have completed the first and second phases of a £750m campus expansion. Our investment in new colleges, teaching and learning spaces, laboratories, research facilities and a new sports village mean there has never been a better time to join us.

During this period of change we’ve worked hard to retain our friendly, informal and collegiate atmosphere, which is important to our core values of inclusivity and interdisciplinarity.

We have a thriving international community and are committed to providing staff moving to York with as much support as possible through our Relocation Package and Welcome Officers.

The University is committed to promoting a diverse and inclusive community - a place where we can all be ourselves and succeed on merit. We offer a range of family friendly, inclusive employment policies, flexible working arrangements, staff engagement forums, campus facilities and services to support staff from different backgrounds.
