Catering and Hospitality

Catering and Hospitality is a large department with staff working in fourteen sites across two campuses. Our sites vary in size and function from Coffee Shops to large scale restaurants and dining halls which specialise in high volumes of both student and conference business.

We employ a large team of people located across our sites including chefs, supervisors, kitchen porters to front line service staff and Costa trained baristas.

We aim to deliver quality in everything we do from service standards to food quality within a very diverse operating environment. Being a University our priority customers are our students. We contribute towards the student experience with fresh ideas and creative food innovations, striving to exceed customer expectations within the very competitive higher education market.

Attractive Place to Work

Centred around the picturesque village of Heslington on the edge of the city of York, the campus offers a wealth of facilities, which includes bars, shops, theatres and concert halls all within easy walking distance.

The University has undergone an unprecedented period of expansion and renewal. Since 2000 we have invested in twenty new buildings on the original campus and have completed the first and second phases of a £750m campus expansion.

During this period of change YCL has also grown to support the larger campus. We have worked hard to retain our friendly, informal atmosphere and believe strongly that work should be an enjoyable place to be.

The University

Founded on principles of excellence equality and opportunity for all, the University of York opened in 1963 with just 230 students. In 2017 it is the centre for almost 16,000 students across 30 academic departments and research centres. In just 50 years we have become one of the world’s leading universities and a member of the prestigious Russell Group.

The City of York

Internationally acclaimed for its rich heritage and historic architecture, York’s bustling streets are filled with visitors from all over the world. Within its medieval walls you will find the iconic gothic Minster, Clifford’s Tower and the Shambles—just a few of many attractions.

But York isn’t just a great place to visit—it’s also a great pace to live and work. While nourishing a vibrant cosmopolitan atmosphere, York still maintains the friendly sense of community unique to a small city.
